ABOUT THE PROGRAM
Six Steps to Academic Success (SSAS) is a series of specialized workshops for U-M students, designed to help strengthen academic performance.

Through sessions that are customized to match individual learning needs, SSAS equips students with the skills to understand their learning disabilities, manage them, and overcome the academic challenges they present in the classroom.

This comprehensive program offers weekly workshops in the following areas:

- Reading
- Writing
- Listening, Organization, & Study Strategies
- Test-Taking & Memory Strategies
- Computer Technology
- Self-Advocacy & Self-Efficacy

Sessions are led by a speech-language clinician.

PRE-SCREENING
Prior to the workshop series, participants will receive a brief screening of reading, writing, and learning skills to help us tailor the program to participants’ needs.

COST
The program is $150.
