

# AUTISM IN ADULTS

## A One-Hour Online Workshop with a Licensed Professional

Have you wondered if you have undiagnosed Autism? This workshop, presented by the Mary A. Rackham Institute (MARI) mental health clinics, will help to answer questions about suspected Autism Spectrum Disorder (ASD) in adulthood.

The online workshop will also explore when ASD testing is recommended, what to expect with testing, and resources for next steps.

This workshop is led by a licensed, clinical mental health professional. *Note: Participants will be anonymous and will only see the presenter or their shared screen, and not other participants.*

## Workshop Details

- **When:** Evenings, once a month through June 2024
- **Where:** Virtual, held via secure Zoom webinar. Link is provided after you register and pay via the MARI client portal system.
- **Cost:** \$45 per person, pre-paid before the workshop, by credit card through the MARI patient portal.

### How to Register

To get started, go to:

[mari.umich.edu/adult-ASD](https://mari.umich.edu/adult-ASD)

Or scan this QR code with your phone camera to open the secure registration form:

*Further instructions are provided once the secure registration form is completed and submitted.*
