

Important Insurance Update: Meridian Coverage

We want to inform you of an upcoming change at MARI regarding insurance coverage.

Effective August 14th, MARI will no longer be accepting Meridian insurance.

We understand that changes like this can feel stressful, and we are committed to supporting you through this transition. To help make this as smooth as possible, we are providing advance notice so you have time to review your options and make any necessary arrangements.

What this means for you:

- You may continue services at MARI on a **self-pay basis** after **August 14th**.
- If you would prefer to use your Meridian insurance, we can help connect you with **referral options**. Currently, there are 209 local therapists who accept Meridian, see [here](#).
- Our team is available to discuss your individual situation and next steps.
