

MARI's Mental Health Clinics are Moving!

MARI's mental health clinics are moving our in-person office location in Mid-December, and re-opening after the holiday break in our new locale on South 5th Ave.

If you have an in-person appointment scheduled from Dec. 18, 2023 to Jan. 15, 2024, check with your clinician where you will be meeting if you are unsure.

Some testing appointments will be carried out at MARI's University Center for Language and Literacy office during the transition. (If that is the case, you will be informed individually ahead of time.)

The new location is two blocks from our current mental health offices, and is still a quick walk from campus, offers metered on-street city parking and nearby parking garages, and easy access from bus stops. *Note: 5th Ave is one-way, heading south.*

Check mari.umich.edu for more move info!

New Address:

210 S 5th Ave. Ann Arbor, MI 48104

New Year, New Insurance? Let us know.

If your health insurance plan or coverage changes in 2024, please let us know as soon as possible to avoid any rejected claims or additional fees. If you have changed your elections or have a new plan or provider, **use the MARI secure patient portal to message us with your updated information.** If you prefer, you can contact our call center at (734) 615-7853 to update your information, but depending on call volume, you may be asked to leave a message.

Getting this information as soon as possible helps us bill more accurately and makes the process smoother for you, too! If your insurance has changed and it has not been verified before your next appointment, your bill will automatically be changed to "self-pay" and you will be responsible for seeking insurance reimbursement and/or paying the full fee.

Mary A. Rackham Institute (MARI) at University of Michigan

Current location: 500 E. Washington St., Ste 100 Ann Arbor, MI 48104

New location (Dec. 18 onward): 210 S 5th Ave. Ann Arbor, MI 48104
