

A Rorschach inkblot test image, specifically Inkblot #9. The ink is applied to a white background, creating a symmetrical, butterfly-like shape. The colors are primarily yellow, green, and red, with some blue and purple tones. The shape is mirrored across a vertical axis. The text "What do you see?" is overlaid on the bottom half of the image.

What do you see?

Rorschach Inkblot #9

**We see a gathering of
people engaged in
conversation,
connection, and
learning!**

The **University Psychological Clinic at U-M** is hosting an afternoon to explore our past, present, and future.

We'd love for you to attend our **80th Anniversary** open house.

SAVE THE DATE:

3-6 p.m. Saturday,
Nov. 10, 2018
