

University of Michigan Aphasia Program (UMAP) Financial Information

(Revised 1/23/18)

UMAP is a fee for service facility. Fees are presented for the weekly UMAP program. Therapy services beyond the weekly package are available at an additional cost (see below).

UMAP Session Fee. Monthly costs vary depending on the number of available therapy days in each month. Please see our website www.aphasiahelp.com for the session dates.

<u>Typical Weekly Fee</u>	\$5,715 (April – November)
	\$4,875 (January – March, December 15% Seasonal discount*)

This includes the following sessions: 15 Individual Speech-Language, 6 Group Speech-Language, 3 Computer Lab, and 1 Group Music. Please note the 2-hour weekly life participation group will be scheduled for 50 minutes during the first and last week of each session. An extra individual session will be scheduled in its place. Facility fee is also included.

1 UMAP session is 50 minutes. Facility Fee is charged for privileges throughout the Victor Vaughn Building, for example use of day rooms for rest periods, beverages, recreational activities, etc.

Payment. UMAP is a non participating provider for all insurances including Medicare and Medicaid. Most insurance carriers will not cover the costs of intensive aphasia therapy. If, however, you believe that your insurance carrier will reimburse you for all or part of your payment to us, and we have no past history of failure to pay by your insurance carrier, we would be pleased to assist you in filing your claim, at no extra charge. Please contact Erica Christopher at (734) 764-8440 who will provide you with forms to complete so that we can better assist you in this process.

Please be aware that regardless of your hopes for reimbursement, payment of your account must occur according to the schedule provided below. You assume full financial responsibility for payment of all expenses associated with your therapy and care and agree to pay the balance due at the conclusion of therapy. Any insurance proceeds received on your behalf will be refunded promptly to you. If at all possible, we recommend payment by a major credit card, as this will permit a timely return to you of any final adjustments to your account.

Schedule for Fee Payments.

- A 10% non refundable deposit is due at the time clients are placed on a committed session list.
- A balance equal to 50% of the total program cost is due no later than the first day of therapy.
- The remaining balance of fees for the program is due on Wednesday of the final week of the therapy program.
